Best Eye Doctor

Dr. Gerard Lozada

Article Published Oct 18, 2001

Dr. Gerard Lozada is a good communicator. Regardless of the optical situation -- from a simple change of eyeglass prescription to more troubling developments like pesky (and painful) vacuoles secondary to a corneal insult -- Dr. Lozada is always there with a clear explanation and, thankfully, a remedy. And he can do it in English or Spanish. So when he says "Hasta la vista," he means business.
